# Mad Libs with Reya

Before you read the story, write a list of 7 funny adjectives! Then, put the adjectives in the story. Read your silly story out loud together!

It was Reya's birthday! Reya's friends Sandy and Ollo wanted to give Reya a present. But what would Reya like? They knew their present couldn't be \_\_\_\_\_ or \_\_\_\_\_. It had to be just right. Maybe they could pick a good present if they made a list of the things that Reya liked! "She has a \_\_\_\_\_ tail!" Peck said. "That's true," said Sandy. "But I don't think that will help us find her a present." Peck and Sandy thought about the things they had seen in Reya's room. At the exact same time, Peck and Sandy said, "Her bug collection!" They knew Reya loved her \_\_\_\_\_ bugs as much as she loved reading. Sandy thought for a minute.

"Reya likes books, and she likes bugs, What if we made her a book about bugs?" Peck agreed. "What a \_\_\_\_\_ idea!" He started drawing pictures for the book right away. When Sandy and Peck were done making their book, they ran to Reya.

"Happy birthday! We hope you like your \_\_\_\_\_ present!" Reya was \_\_\_\_\_.

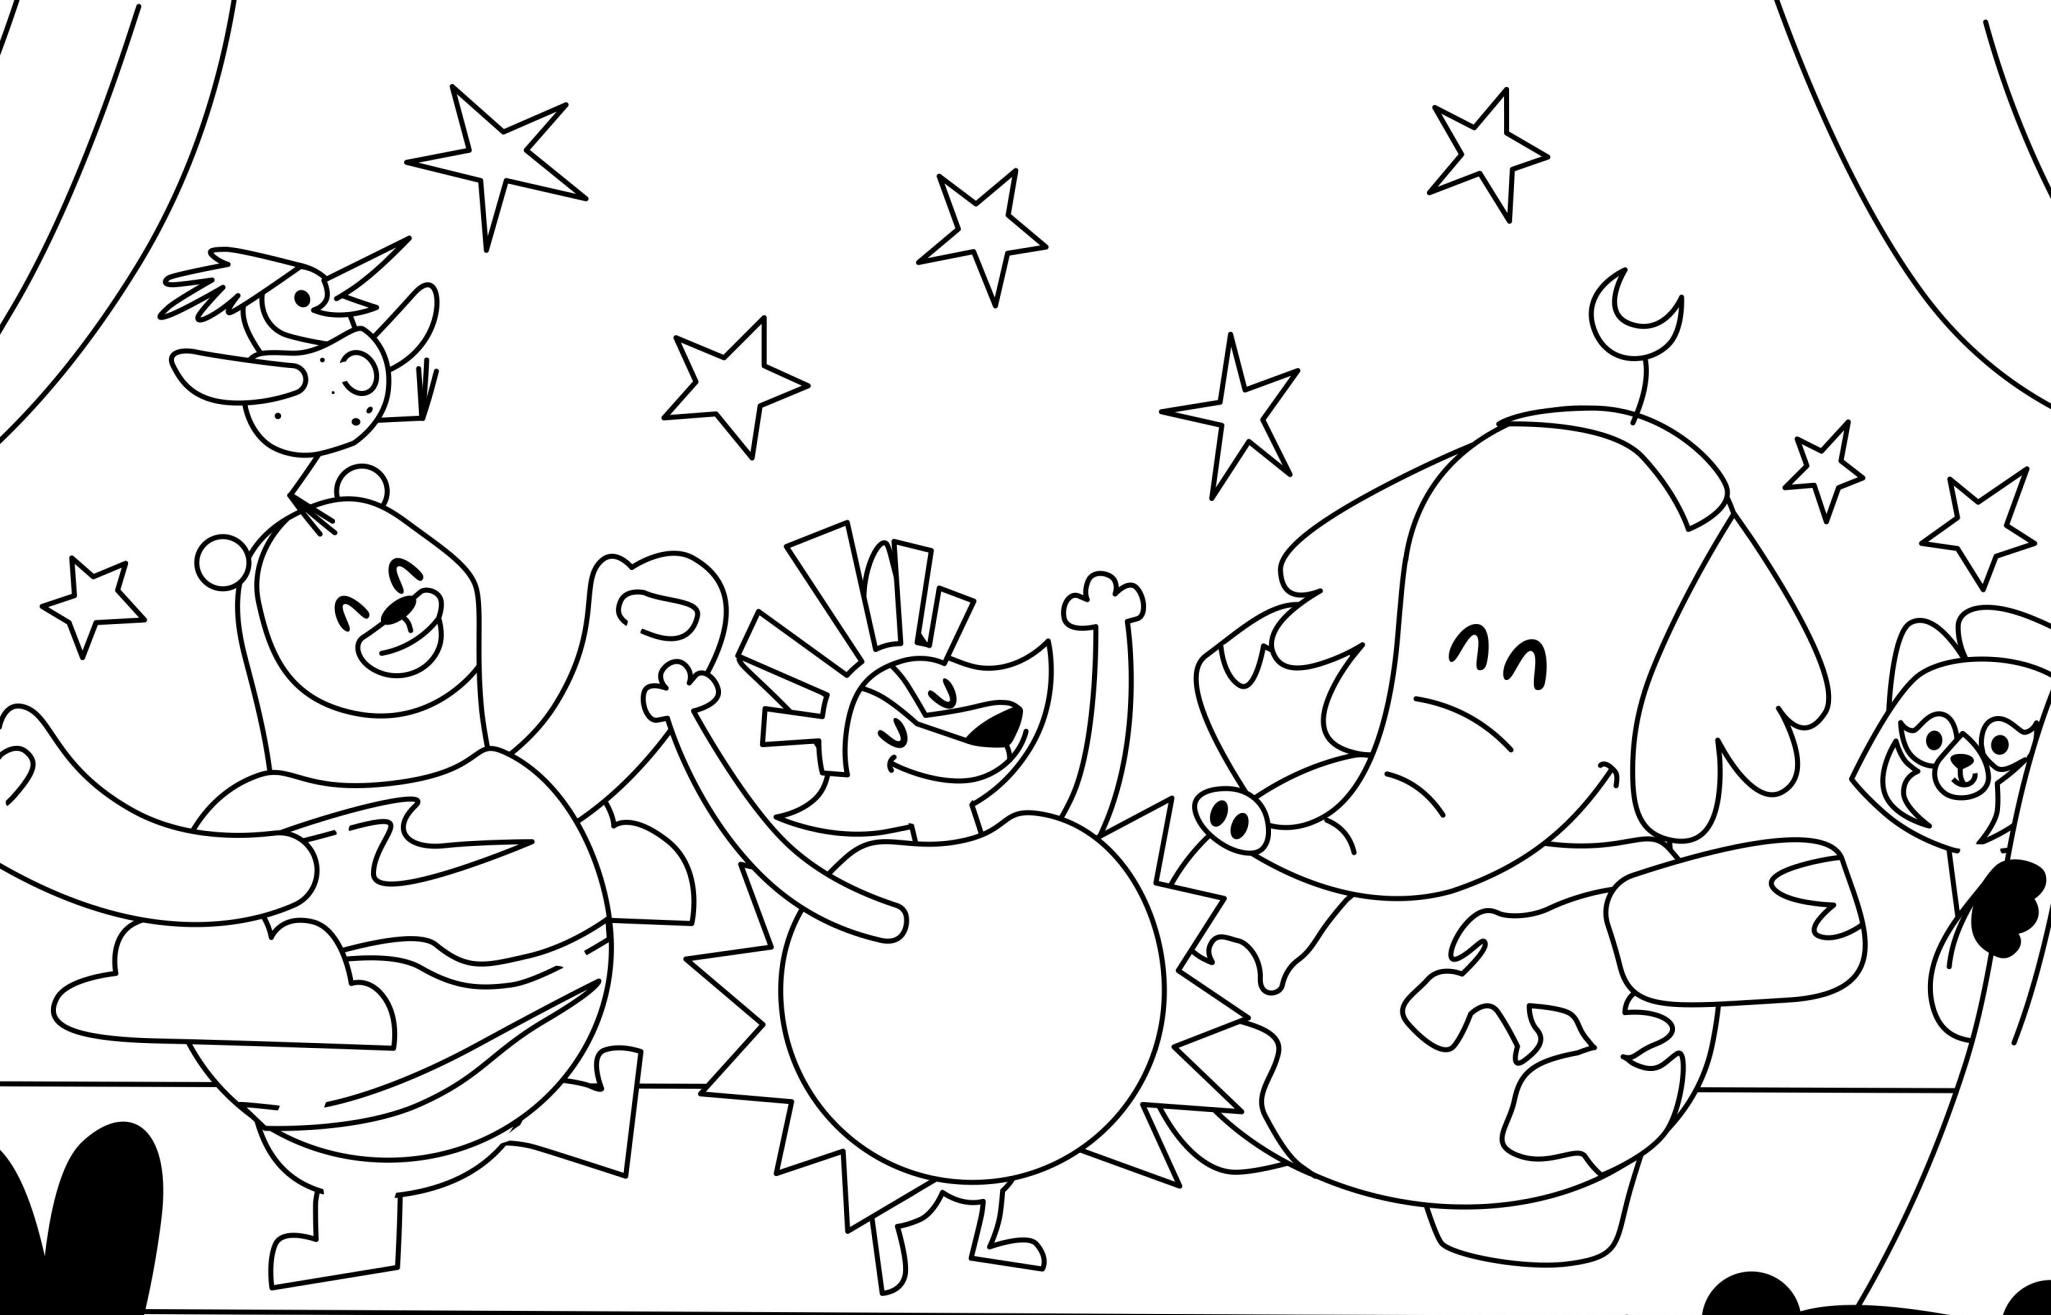

"This is such a thoughtful gift! Thank you!" The three friends looked through Reya's new book all together.

THANK  
YOU

Love, \_\_\_\_\_

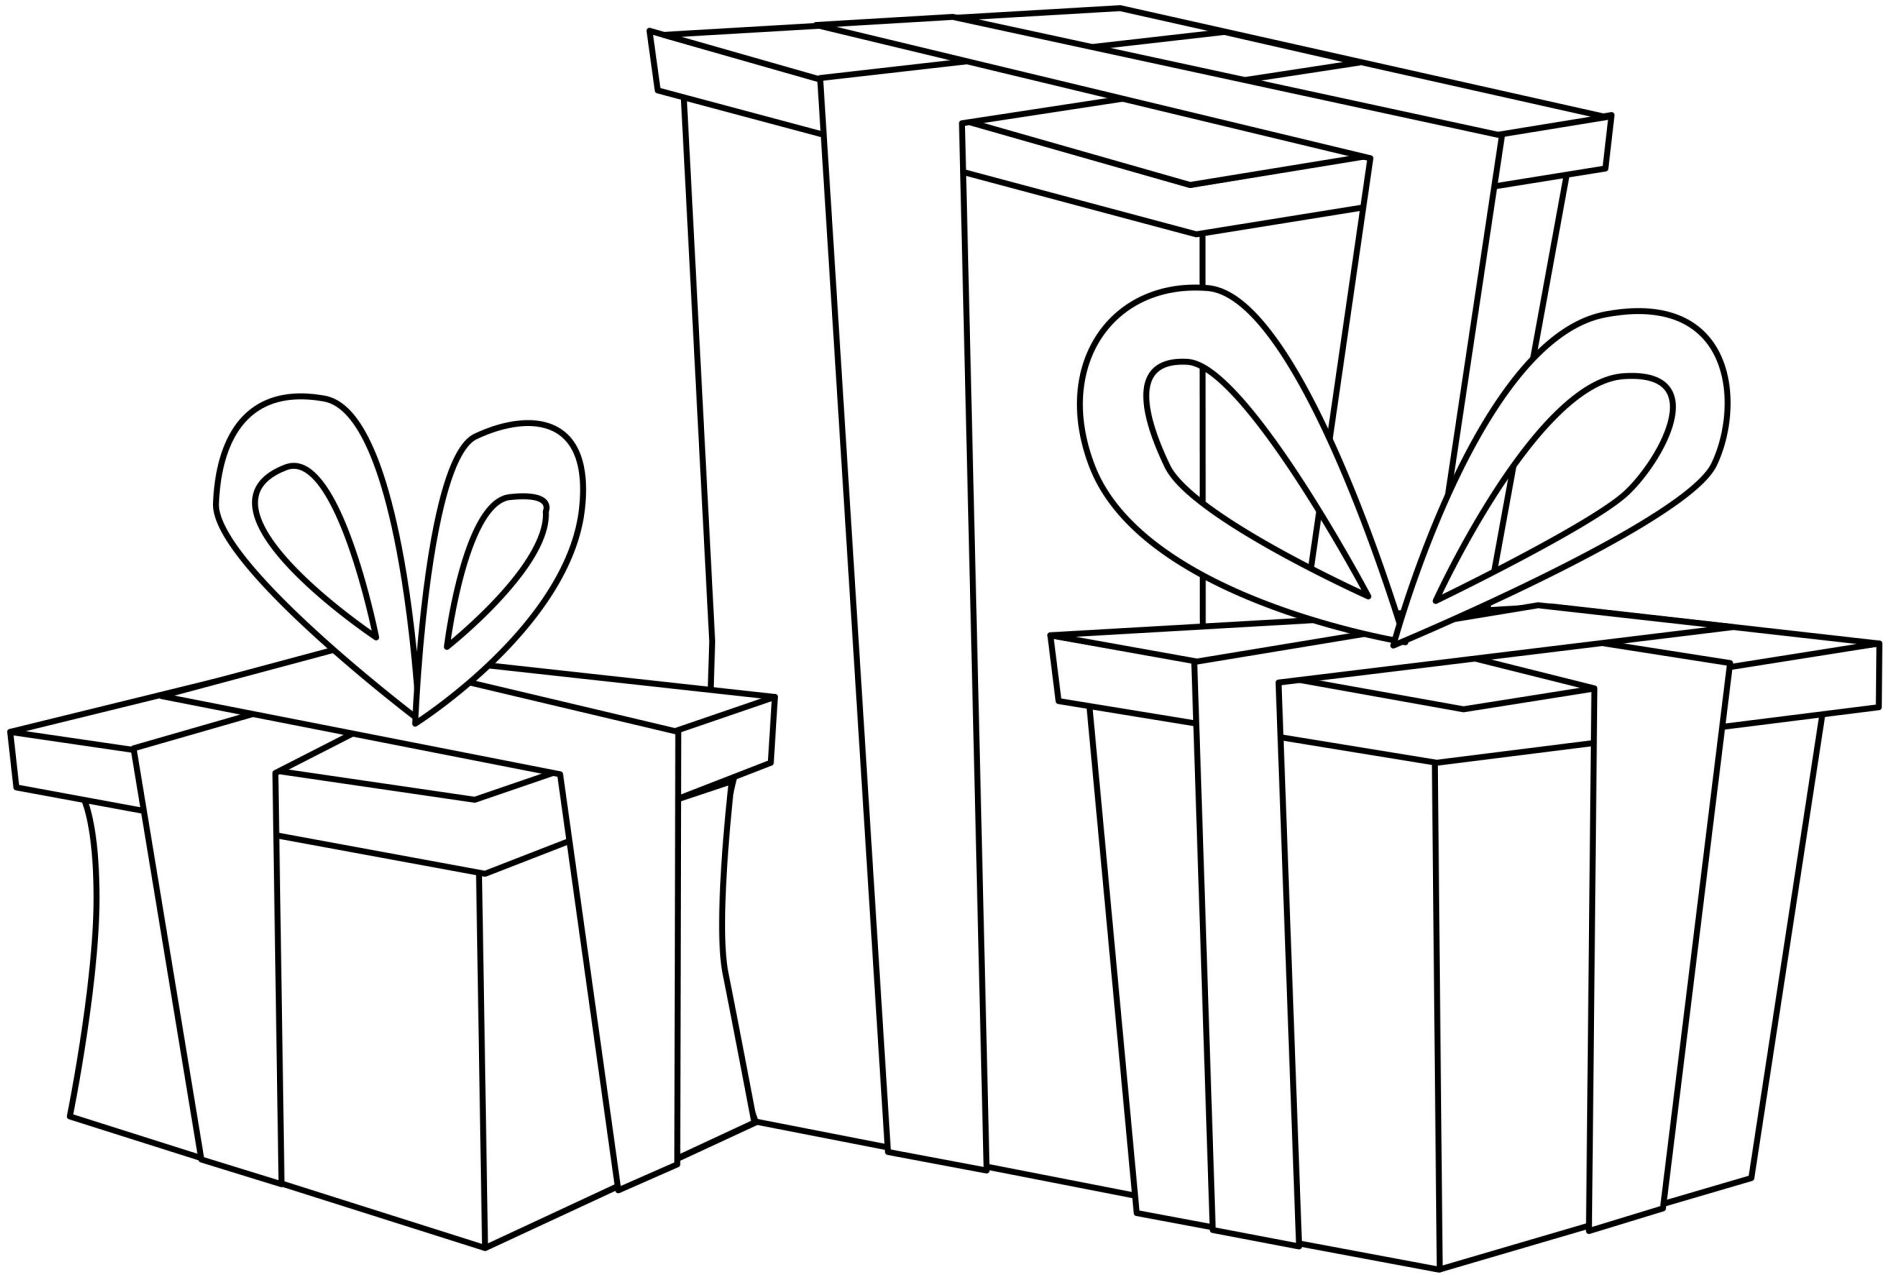

HAPPY  
BIRTHDAY
