

# Weekly Planner

Week of: \_\_\_\_\_

Use this template to show how topics will be covered over the course of the week. Find more tips for planning your week at: [khan.co/KhanKids-WeeklyPlanner](https://khan.co/KhanKids-WeeklyPlanner)

Ages 5-7	Monday	Tuesday	Wednesday	Thursday	Friday
 <b>Math</b>	Use leaves to measure objects in your home. How many leaves long is your couch?	Sort acorns or cranberries into groups of ten. Re-sort into groups of five.	Find small toys that are orange, red, and yellow. Make a pattern! 	Write a recipe for apple cider. What are the ingredients? How much of each one will you need?	Solve the themed math and logic activities in Khan Academy Kids.
 <b>English Language Arts</b>	Read the “Hedgehogs” book in Khan Academy Kids. 	Watch Circle Time “Autumn at the Orchard.”	Read the “Spiders” book in Khan Academy Kids. 	Read the “Wild Turkeys” book in Khan Academy Kids.	Read the “Harvest Time” book in Khan Academy Kids.
 <b>Get moving</b>	Play “I Spy” with seasonal decorations on a neighborhood walk.	Practice crawling like a spider and then race a family member.	Rake leaves into piles, and lift the piles into the recycling bin.	Dance along to the Dinosaur Stomp with GoNoodle. 	Try rolling somersaults, handstands, and cartwheels.
 <b>Social time</b>	Connect with a grandparent to let them know you’re thinking about them.	Write a fall-themed story with adult help. 	Schedule special time with siblings, relatives, or friends.	Express gratitude by making something for someone else.	Dress up for a fall-themed family Zoom. 
 <b>Arts &amp; crafts</b>	Paint and decorate a pumpkin. 	Build a tree of thanks with Tinkergarten’s DIY activity.	Sew a paper plate pumpkin with crafts by Super Simple.	Choose a Halloween coloring page to fill in the Khan Academy Kids app.	Make a fall wreath out of cardboard and nature items you collect on a walk.
 <b>Science &amp; exploration</b>	Design a Halloween costume on paper before creating with an adult.	Bake a fall spice cake or make applesauce with your family.	Push whole cloves into apples and oranges. How are the fruit peels similar and different?	Collect pinecones, leaves, or acorns to use for making crafts. 	Scoop out the inside of a pumpkin. Gather, wash, and bake the seeds.
